Construction Update #8

UPDATE NO.:	**8**	CONTRACT NO.	**26002**
DATE ISSUED:	**June 12th, 2026**		
PROJECT NAME:	**Talbot Street Trunk Sewer Replacement Project**		

24-hour operations were conducted this week to support timely completion of work within the Smart Centre Access Road intersection (Stage 2A) of the Talbot Street Trunk Sewer Replacement Project.

Detailed information about the project is available at https://www.stthomas.ca/talbot-street-construction.

Work Completed to date:

- Completed storm sewer installation for Stage 2A (First Ave. to Smart Centre Entrance Intersection).
- Completed sanitary sewer installation for Stage 2A (First Ave. to Smart Centre Entrance Intersection).
- Completed watermain installation for Stage 2A (First Ave. to Smart Centre Entrance Intersection).
- Continued constructing the roadway for Stage 2 & 2A.

Work scheduled for the next week:

- The contractor will continue installing storm, sanitary sewers, and watermains for Stage 2 between the signalized intersection and right-in/right-out access to the Smart Centre commercial area.
- Continuing to construct the roadway for Stage 2
- Placing concrete curb and gutter for Stage 2. (First Ave. to Smart Centre Entrance Intersection).
- If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

Road Closures and Access:

- A detour and signage is in place to help guide traffic through the jobsite and divert traffic around road closures.

Road closure information within the City of St. Thomas can also be found at www.municipal511.ca

Construction Safety:

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the street or sidewalks near the construction limits.
- Maintain a safe distance from any moving equipment, stock piles or trenches.
