Construction Update #12

UPDATE NO.:	**12**	CONTRACT NO.	**26002**
DATE ISSUED:	**July 10th, 2026**		
PROJECT NAME:	**Talbot Street Trunk Sewer Replacement Project**		

Asphalt was placed in Stage 6 this week, and good progress continued in Stage 3 with the sanitary installation! Detailed information about the project is available at https://www.stthomas.ca/talbot-street-construction.

Work Completed to date:

- Continued sanitary sewer installation for Stage 3 (Smart Centres Right-In/Right-Out to Fairview Ave).
- Began temporary watermain installation for Stage 3.
- Completed all watermain work for Stage 2 including connections to the new watermain.
- Completed base asphalt work for Stage 2.
- Continued Stage 2 electrical work for traffic signals and street lighting.

Work scheduled for the next week:

- Continuing sanitary sewer installation for Stage 3.
- Continuing temporary watermain installation for Stage 3.
- Completing concrete sidewalk installation for Stage 2.
- Beginning to place topsoil and sod in Stage 2.

If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

Road Closures and Access:

- A detour and signage is in place to help guide traffic through the jobsite and divert traffic around road closures.

Road closure information within the City of St. Thomas can also be found at www.municipal511.ca

Construction Safety:

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the street or sidewalks near the construction limits.
- Maintain a safe distance from any moving equipment, stock piles or trenches.
