|---|---|---|---|
| UPDATE NO.: | **7** | CONTRACT NO. | **26002** |
| DATE ISSUED: | **June 5th, 2026** | | |
| PROJECT NAME: | **Talbot Street Trunk Sewer Replacement Project** | | |

Work for Stage 2A of the Talbot Street Trunk Sewer Replacement Project begins on Monday!

Detailed information about the project is available at https://www.stthomas.ca/talbot-street-construction.

**Work Completed to date:**

- Completed storm sewer installation for Stage 2 (First Ave. to Smart Centre Entrance Intersection).
- Completed sanitary sewer installation for Stage 2 (First Ave. to Smart Centre Entrance Intersection).
- Completed watermain installation for Stage 2 (First Ave. to Smart Centre Entrance Intersection).
- Continuing to construct the roadway for Stage 2. (First Ave. to Smart Centre Entrance Intersection).

**Work scheduled for the next week:**

- The contractor will complete the installation of Storm Sewers, Sanitary Sewers, and Watermains for Stage 2A (located within the signalized intersection serving the Smart commercial entrance).
- Continuing with preparation work required before placing asphalt & concrete curbs for Stage 2.
- If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

**Road Closures and Access:**

- Beginning Monday, June 8th, and ending Friday, June 12th, a five-day 'Transit-Only' Road Closure will be implemented for both northbound and southbound traffic at the signalized intersection on Talbot Street serving the Smart commercial entrance, as sewer and watermain construction will be taking place directly within the intersection. During this one-week closure, the City asks that deliveries and customers use the alternate access points via the right-in/right-out entrance located between TD Bank and Libro Credit Union, as well as the access from First Avenue. We appreciate your patience and cooperation while this important infrastructure work is completed.

Road closure information within the City of St. Thomas can also be found at www.municipal511.ca

**Construction Safety:**

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the street or sidewalks near the construction limits.
- Maintain a safe distance from any moving equipment, stock piles or trenches.
