Construction Update #25

UPDATE NO.:	**25**	CONTRACT NO.	**26002**
DATE ISSUED:	**November 6th, 2026**		
PROJECT NAME:	**Talbot Street Trunk Sewer Replacement Project**		

Curb and gutter installation and paving operations of the roadway are both anticipated in Stage 4A next week.

Detailed information about the project is available at https://www.stthomas.ca/talbot-street-construction.

Work Completed to date:

- Completed preparations for curb and gutter installation in Stage 4A (*South side of Talbot Street, from First Avenue to the current transition in traffic between Stage 3 and Stage 4*).
- Completed removals for the existing roadway & construction activities of the new road for Stage 4A.

Work scheduled for the next week:

- Completing remaining sidewalk installation in Stage 3A (N*outh side of Talbot Street, from the current transition in traffic between Stage 3 and Stage 4 to Fairview Avenue*).
- Curb and Gutter installation scheduled in Stage 4A next week.
- Placing base course asphalt scheduled in Stage 4A next week.
- ***J-AAR will be implementing a traffic control shift between Fairview Avenue and the existing north/south traffic transition to allow construction activities to begin in Stage 4B (South side of Talbot Street, between Briwood Farm Markets and Park Avenue).***

If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

Road Closures and Access:

- A detour and signage is in place to help guide traffic through the jobsite and divert traffic around road closures.

Road closure information within the City of St. Thomas can also be found at www.municipal511.ca

Construction Safety:

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the street or sidewalks near the construction limits.
