Construction Update #17

UPDATE NO.:	**17**	CONTRACT NO.	**26002**
DATE ISSUED:	**August 21, 2026**		
PROJECT NAME:	**Talbot Street Trunk Sewer Replacement Project**		

Progress continued in Stage 3 this week with the installation of storm sewer and watermain infrastructure.

Detailed information about the project is available at https://www.stthomas.ca/talbot-street-construction.

Work Completed to date:

- Continued storm sewer installation for Stage 3. (Smart Centres Right-In/Right-Out to Fairview Ave).
- Began watermain installation for Stage 3.
- Began constructing the road structure for Stage 3 in advance of the concrete curb and gutter work and placement of road asphalt work.
- Placed Topsoil in Stage 2. (First Avenue to the Smart Center Access Road Intersection)

Work scheduled for the next week:

- Continuing storm sewer installation for Stage 3.
- Continuing with watermain installation for Stage 3.
- Continuing to construct the road for Stage 3 in advance of the concrete curb and gutter work and placement of road asphalt work.
- Place Sod in Stage 2. (First Avenue to the Smart Center Access Road Intersection)

If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

Road Closures and Access:

- A detour and signage is in place to help guide traffic through the jobsite and divert traffic around road closures.

Road closure information within the City of St. Thomas can also be found at www.municipal511.ca

Construction Safety:

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the street or sidewalks near the construction limits.
- Maintain a safe distance from any moving equipment, stock piles or trenches.
