Construction Update # 5

UPDATE NO.:	**5**	CONTRACT NO.	**26002**
DATE ISSUED:	**May 14th, 2026**		
PROJECT NAME:	**Talbot Street Trunk Sewer Replacement Project**		

Another positive step forward: Temporary traffic signals are now operational at the Talbot Street & Smart Centre Intersection.

Detailed information about the project is available at https://www.stthomas.ca/talbot-street-construction.

Work Completed to date:

- Completed installation and commissioning work for the Stage 2 temporary watermain.
- Continued removing roadway asphalt and concrete for Stage 2.
- Continued storm sewers installation for Stage 2.
- Completed the installation of the temporary traffic signals at the Talbot Street & Smart Centre intersection.
- Setup sanitary bypass pumping system that is required for installation of sanitary sewers in Stage 2.

Work scheduled for the next week:

- Continuing storm sewer installation for Stage 2.
- Beginning sanitary sewer installation for Stage 2.
- Beginning watermain installation for Stage 2.
- Continuing with asphalt and concrete roadway removals for Stage 2.
- If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

Road Closures and Access:

- A detour and signage is in place to help guide traffic through the jobsite and divert traffic around road closures.

Road closure information within the City of St. Thomas can also be found at www.municipal511.ca

Construction Safety:

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the street or sidewalks near the construction limits.
- Maintain a safe distance from any moving equipment, stock piles or trenches.
