Construction Update # 12

UPDATE NO.:	**12**	CONTRACT NO.	**26003**
DATE ISSUED:	**July 24th, 2026**		
PROJECT NAME:	**Alma Street Construction – Phase 1 Talbot St. to CN Rail Tracks**		

Since our last update, crews have continued to make excellent progress throughout both Phase 1 and Phase 2 of the project.

Phase 1 (Talbot Street to CN Tracks)

Over the past two days, concrete curb installation has been completed throughout Phase 1. We ask residents to please **avoid driving over or onto the newly placed curb** until it has had sufficient time to cure. On **Monday**, crews will be ramping driveways back in to restore vehicle access where possible.

Early next week, work will focus on preparing the roadway for the placement of the base asphalt layers. Weather permitting, base asphalt paving is anticipated to occur **mid to late next week**. At the same time, crews will also begin preparing areas for upcoming sidewalk and driveway construction.

Phase 2 (CN Tracks to Hwy 3)

In Phase 2, the existing roadway has now been pulverized. Over the coming weeks, crews will begin preparing for the installation of the temporary watermain, which will allow work on the underground infrastructure to proceed in this section of the project.

We appreciate your continued patience and cooperation throughout construction and will continue to provide updates as work progresses.

Detailed information about the project is available at https://www.stthomas.ca/almastreet

Work completed to date:

- Watermain testing/switch over to new watermain (Phase 1 Talbot to CN Track)
- Curb (Phase 1 Talbot to CN Track)
- Roadway Pulverization (Phase 2 CN Tracks to Hwy 3)

Work scheduled for the next week:

- Roadway preparation for base Asphalt (Phase 1 Talbot to CN Track)
- Asphalt Placement (Phase 1 Talbot to CN Track)
- Start preparation for temporary watermain set up (Phase 2 CN Track to Hwy 3)

If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

Road Closures and Access:

- Alma Street from Talbot St. to Nolan St. will be closed for the duration of Phase 1 of Construction but open to local traffic only.
- Driveway access may be interrupted periodically during construction. Notification will be provided in advance of a driveway access disruption.
- Road closure information within the City of St. Thomas can also be found at www.municipal511.ca

Construction Safety:

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the street or sidewalks near the construction limits.
- Maintain a safe distance from any moving equipment, stock piles or trenches.
