Construction Update # 7

UPDATE NO.:	**7**	CONTRACT NO.	**26004**
DATE ISSUED:	**June 19, 2026**		
PROJECT NAME:	**St. George Street Construction**		

Construction of sewers and watermain on St. George Street is nearing completion**.** The contractor is R. Russell Construction.

Detailed information about the project is available at www.stthomas.ca/Stgeorge&Pearl

Work completed this week:

- Sanitary services on the east of St. Geroge from Talbot St to Curtis Street
- Watermain and water services on St. George from Talbot Street to Scott

Work scheduled for the next week:

- Storm sewer and services from Talbot Street to Curtis Street
- Watermain commissioning and testing
- Additional storm infrastructure removal at the intersection of Curtis Street and construction of new storm sewer, catchbasin's and maintenance holes.
- If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

Road Closures and Access:

- Local traffic on St. George will be permitted
- No access to or from Talbot Street from St. George Street
- Signage will be placed to help guide residents through the jobsite and divert traffic around the active construction areas to the best access & exit points.
- Driveway access may be interrupted periodically during construction. Notification will be provided in advance of a driveway access disruption
- Road closure information within the City of St. Thomas can also be found at www.municipal511.ca, project link: https://www.municipal511.ca?lat=42.7791139&lng=-81.20178899999999&zoom=15

Construction Safety:

- Your safety is very important to us. Please respect the work zone
- Please use caution when using the street or sidewalks near the construction limits
- Maintain a safe distance from any moving equipment, stock piles or trenches
