Construction Update #11

UPDATE NO.:	**11**	CONTRACT NO.	**26002**
DATE ISSUED:	**July 3rd, 2026**		
PROJECT NAME:	**Talbot Street Trunk Sewer Replacement Project**		

Stage 3 is now well underway, with good progress being made on the sanitary sewer installation this week!

Detailed information about the project is available at https://www.stthomas.ca/talbot-street-construction.

Work Completed to date:

- Continued sanitary sewer installation for Stage 3. (Smart Centres Right-In/Right-Out Access Road to Fairview Ave).
- Began Stage 2 electrical work for the new Smart Centre intersection traffic signals.
- Began Stage 2 electrical work for street lighting between First Ave and the Smart Centre Intersection.
- Completed testing and commissioning work for the newly installed Stage 2 watermain.

Work scheduled for the next week:

- Continuing sanitary sewer installation for Stage 3.
- Beginning temporary watermain installation for Stage 3.
- Completing concrete sidewalk and base asphalt work for Stage 2.
- Beginning to place topsoil and sod in Stage 2.
- A short term water service outage has been scheduled for water service connections. This water outage is planned to take place during the night, outside of normal business operating hours

If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

Road Closures and Access:

- A detour and signage is in place to help guide traffic through the jobsite and divert traffic around road closures.

Road closure information within the City of St. Thomas can also be found at www.municipal511.ca

Construction Safety:

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the street or sidewalks near the construction limits.
- Maintain a safe distance from any moving equipment, stock piles or trenches.
