Construction Update #19

UPDATE NO.:	**19**	CONTRACT NO.	**26002**
DATE ISSUED:	**September 18, 2026**		
PROJECT NAME:	**Talbot Street Trunk Sewer Replacement Project**		

Storm, Sanitary, and Watermain Installations are beginning to near completion in Stage 3!

Detailed information about the project is available at https://www.stthomas.ca/talbot-street-construction.

Work Completed to date:

- Continuing Storm installation for Stage 3. (Smart Centres Right-In/Right-Out to Fairview Ave).
- Continuing Sanitary installation for Stage 3.
- Continuing Watermain installation for Stage 3.
- Preparing for sidewalk installation in Stage 3.
- Placed asphalt in Stage 3 in advance of an upcoming change to the site's traffic control configuration.

Work scheduled for the next week:

- Completing Storm and Sanitary installations for Stage 3.
- Completing Watermain installations for Stage 3 in preparation for commissioning activities.
- Concrete sidewalk installation for Stage 3 is tentatively scheduled to continue westward from the current completion point to the west side of the Pioneer Gas Station.

If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

Road Closures and Access:

- A detour and signage is in place to help guide traffic through the jobsite and divert traffic around road closures.

Road closure information within the City of St. Thomas can also be found at www.municipal511.ca

Construction Safety:

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the street or sidewalks near the construction limits.
- Maintain a safe distance from any moving equipment, stock piles or trenches.
