Construction Update #22

UPDATE NO.:	**22**	CONTRACT NO.	**26002**
DATE ISSUED:	**October 9th, 2026**		
PROJECT NAME:	**Talbot Street Trunk Sewer Replacement Project**		

Work in Stage 4 will begin next week (*First Avenue to Fairview Avenue – South Side of Talbot Street*).

PLEASE BE ADVISED: *On the Morning of Tuesday October 13th, J-AAR will implement a traffic control shift between Pioneer Gas station and the signalized intersection at Smart Centres to allow for work in Stage 4 to commence on the south side of Talbot Street, between St. Thomas Ford and the signalized intersection at Harvey's Restaurant*

Detailed information about the project is available at https://www.stthomas.ca/talbot-street-construction.

Work Completed to date:

- Completed watermain commissioning activities and final connections.
- Constructed the roadway for Stage 3 in advance for concrete curb and gutter and sidewalk installation between Pioneer Gas Station and the east Project Limits.
- Completed concrete sidewalk installation and topsoil placement between the current completion point to the west of the Pioneer Gas Station to allow for the upcoming traffic shift.

Work scheduled for the next week:

- Concrete curb and gutter installation are scheduled to continue for Stage 3 (*North Side of Talbot*) westward from the current completion to the east project limits (*Fairview Avenue*).
- Construction activities to begin for Stage 4. Work for Stage 4 primarily consists of surface restoration, with minimal sewer and watermain replacement work required.

If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

Road Closures and Access:

- A detour and signage is in place to help guide traffic through the jobsite and divert traffic around road closures.

Road closure information within the City of St. Thomas can also be found at www.municipal511.ca

Construction Safety:

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the street or sidewalks near the construction limits.
