Construction Update #21

UPDATE NO.:	**21**	CONTRACT NO.	**26002**
DATE ISSUED:	**October 2nd, 2026**		
PROJECT NAME:	**Talbot Street Trunk Sewer Replacement Project**		

All Storm, Sanitary, and Watermain infrastructure installations are now completed in Stage 3

Detailed information about the project is available at https://www.stthomas.ca/talbot-street-construction.

Work Completed to date:

- Completed watermain installation for Stage 3, and beginning commissioning activities.
- Constructing the roadway for Stage 3 in advance for concrete curb and gutter installation between Pioneer Gas Station and Enterprise Car Rentals.

Work scheduled for the next week:

- Completing watermain commissioning activities and final connections from the current temporary watermain to the newly installed permanent watermain.
- Concrete sidewalk installation and topsoil placement for Stage 3 is tentatively scheduled to continue westward from the current completion point to the west side of the Pioneer Gas Station.
- Continuing to construct the roadway for Stage 3 in advance for concrete curb and gutter installation between Pioneer Gas Station and Enterprise Car Rentals.

If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

Road Closures and Access:

- A detour and signage is in place to help guide traffic through the jobsite and divert traffic around road closures.

Road closure information within the City of St. Thomas can also be found at www.municipal511.ca

Construction Safety:

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the street or sidewalks near the construction limits.
- Maintain a safe distance from any moving equipment, stock piles or trenches.
