- Beginning temporary watermain installation for Stage 3.
- Completing concrete sidewalk and base asphalt work for Stage 2.
- Beginning to place topsoil and sod in Stage 2.
- Complete testing and commissioning activities for the newly installed Stage 2 watermain.

If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

Road Closures and Access:

- A detour and signage is in place to help guide traffic through the jobsite and divert traffic around road closures.

Road closure information within the City of St. Thomas can also be found at www.municipal511.ca

Construction Safety:

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the street or sidewalks near the construction limits.
- Maintain a safe distance from any moving equipment, stock piles or trenches.
