Construction Update # 2

UPDATE NO.:	**2**	CONTRACT NO.	**26002**
DATE ISSUED:	**April 24th, 2026**		
PROJECT NAME:	**Talbot Street Trunk Sewer Replacement Project**		

Construction is now underway for Stage 2 of the Talbot Street Trunk Sewer Replacement Project!

Detailed information about the project is available at https://www.stthomas.ca/talbot-street-construction.

Work Completed to date:

- Completed storm sewer installation for Stage 1.
- Completed roadworks and paving for Stage 1 to allow work to begin in Stage 2.
- Reconfigured temporary traffic control and begin work in Stage 2.
- Started installing temporary watermain for Stage 2.
- Started removing roadway asphalt for Stage 2.
- Started storm sewers installation for Stage 2.

Work scheduled for the next week:

- Continuing storm sewer installation for Stage 2.
- Reconfiguring temporary traffic control to allow temporary watermains to be buried in the Talbot Street and the Smart Centre intersection.
- Paving buried temporary watermain road crossings to maintain traffic operations.
- Installation of temporary traffic signals for the Talbot Street & Smart Centre intersection.
- Continuing to removing roadway asphalt and concrete curb and gutters for Stage 2.
- If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

Road Closures and Access:

- A detour and signage is in place to help guide traffic through the jobsite and divert traffic around road closures.

Road closure information within the City of St. Thomas can also be found at www.municipal511.ca

Construction Safety:

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the street or sidewalks near the construction limits.
- Maintain a safe distance from any moving equipment, stock piles or trenches.
