PROJECT NAME:	**Talbot Street Trunk Sewer Replacement Project**		

Stage 2, and Stage 2A is progressing with Concrete curb and gutter installation this week!

Detailed information about the project is available at https://www.stthomas.ca/talbot-street-construction.

Work Completed to date:

- Continued storm sewer, sanitary sewers, and watermain Installation for Stage 2 between the signalized intersection and right-in/right-out access to the Smart Centre commercial area.
- Continued constructing the roadway for Stage 2.
- Installed curb and gutter for Stage 2, and Stage 2A. (First Ave. to Smart Centre Entrance Intersection).

Work scheduled for the next week:

- The contractor will be completing storm, sanitary sewers, and watermain Installation for Stage 2 between the signalized intersection and right-in/right-out access to the Smart Centre commercial area.
- Placing base course asphalt for Stage 2, & Stage 2A.
- Preparations for concrete sidewalk installation for Stage 2.
- Complete testing & commission activities for the newly installed watermain in Stage 2.
- If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

Road Closures and Access:

- A detour and signage is in place to help guide traffic through the jobsite and divert traffic around road closures.

Road closure information within the City of St. Thomas can also be found at www.municipal511.ca

Construction Safety:

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the street or sidewalks near the construction limits.
- Maintain a safe distance from any moving equipment, stock piles or trenches.
