Construction Update # 17

UPDATE NO.:	**17**	CONTRACT NO.	**26003**
DATE ISSUED:	**September 25th, 2026**		
PROJECT NAME:	**Alma Street Construction – Phase 2 CN Rail Tracks to Hwy 3**		

Phase 1 (Talbot Street to CN Tracks)

Topsoil work has now started throughout Phase 1 and is expected to be nearing completion by the end of the week, with sod installation to follow.

As restoration work continues, the contractor will also be addressing remaining deficiencies and completing any unfinished work throughout Phase 1.

Phase 2 (CN Tracks to Hwy 3)

The underground construction work in Phase 2 is now nearly complete. The contractor will be completing the remaining connections to the new watermain through the middle to end of next week. This will be followed by switching properties from the temporary watermain to the new watermain.

Once this work is complete, the contractor will begin preparing and building up the roadway for the next stage of construction. Curb installation is tentatively scheduled to begin October 9.

Driveway access will be affected during curb, sidewalk and driveway restoration, advance notice will be provided to the start of these activities.

We appreciate your continued patience and cooperation throughout construction and will continue to provide updates as work progresses.

Detailed information about the project is available at https://www.stthomas.ca/almastreet
