Construction Update # 3

UPDATE NO.:	**3**	CONTRACT NO.	**26002**
DATE ISSUED:	**May 1st, 2026**		
PROJECT NAME:	**Talbot Street Trunk Sewer Replacement Project**		

Construction for Stage 2 of the Talbot Street Trunk Sewer Replacement Project is moving forward!

Detailed information about the project is available at https://www.stthomas.ca/talbot-street-construction.

Work Completed to date:

- Reconfigured temporary traffic control to allow temporary watermains to be buried in the Talbot Street and the Smart Centre intersection.
- Continued installing temporary watermain for Stage 2.
- Continued removing roadway asphalt and concrete for Stage 2.
- Continued storm sewers installation for Stage 2.
- Started installation of the temporary traffic signals at the Talbot Street & Smart Centre intersection.

Work scheduled for the next week:

- Continuing with storm sewer installation for Stage 2.
- Continuing with asphalt and concrete roadway removals for Stage 2.
- Testing and commissioning temporary watermain for Stage 2.
- Continuing to install the temporary traffic signals at the Talbot Street & Smart Centre intersection.
- If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

Road Closures and Access:

- A detour and signage is in place to help guide traffic through the jobsite and divert traffic around road closures.

Road closure information within the City of St. Thomas can also be found at www.municipal511.ca

Construction Safety:

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the street or sidewalks near the construction limits.
- Maintain a safe distance from any moving equipment, stock piles or trenches.
