# Construction Update # 10

| | | | |
|---|---|---|---|
| UPDATE NO.: | **10** | CONTRACT NO. | **26003** |
| DATE ISSUED: | **June 26th, 2026** | | |
| PROJECT NAME: | **Alma Street Construction – Phase 1 Talbot St. to CN Rail Tracks** | | |

Since our last update, Cassidy has completed installation of the storm sewer between Redan Street and the CN Rail tracks.

Crews are continuing with the new watermain installation, which has now progressed north from Talbot Street toward Kains Street. Barring any unforeseen issues, the watermain installation from Kain's to the CN Tracks is expected to be complete by the end of the week.

As the watermain work advances, crews will continue excavating to subgrade and rebuilding the road structure in preparation for upcoming curb installation.

Watermain pressure testing and commissioning will also begin on the section between Kains Street and Talbot Street. If testing is successful, we anticipate completing the final water service connections to properties within this section near the end of the week.

We appreciate your continued patience as construction progresses and will provide further updates as work advances.

Detailed information about the project is available at https://www.stthomas.ca/almastreet

**Work completed to date:**

- Main line Sanitary Sewer Phase 1
- Storm Sewer Phase 1
- Watermain Talbot Street to Kains Street

**Work scheduled for the next week:**

- Watermain installation (Kains St to CN Tracks.)
- Roadway Subdrain Installation
- Sub grade excavation following the watermain installation in preparation for the roadway reconstruction

If you have questions about how this work affects you, please visit our Frequently Asked Questions: www.stthomas.ca/construction-faq

**Road Closures and Access:**

- Alma Street from Talbot St. to Nolan St. will be closed for the duration of Phase 1 of Construction but open to local traffic only.
- Driveway access may be interrupted periodically during construction. Notification will be provided in advance of a driveway access disruption.
- Road closure information within the City of St. Thomas can also be found at www.municipal511.ca

**Construction Safety:**

- Your safety is very important to us. Please respect the work zone.
- Please use caution when using the street or sidewalks near the construction limits.
- Maintain a safe distance from any moving equipment, stock piles or trenches.
